JACKRABBIT PROGRAMS

Bunnyrabbits (Age 5) This program is designed to introduce young children to cross country skiing by learning through discovery and focusing on fun! A parent must accompany their bunny.

Jackrabbits (Age 6-10) A 4 level program designed for children providing an opportunity to learn at their own rate and to participate in a lifelong activity. Skiers will be organized into different levels within the Jackrabbit program that reflect the skill level of the participant and program expectations.

Advanced Jackrabbits (10-13)

(3 or more years experience in JR)

This program is designed for the older Jackrabbit who is interested in refining their technique. The program will focus primarily on skate technique.

Racing Rabbits (Track Attack) (10-13)

(3 or more years experience in JR)
This program is designed for the older Jackrabbit who is interested in low key competition. The program will focus on skate and classic techniques while introducing competitive components of training and race preparation, in a fun atmosphere.

Adventure Challenge

(Youth Recreational) (11-13)

This is a program for those who have completed Jackrabbits and love to ski. Focus will be on classic technique, fun, fitness and outdoor survival skills that will enhance enjoyment of skiing as a life-long sport. Parents who ski may be asked to take a turn in accompanying the group along with the leader.

Attention High School Students

Be an assistant leader, ask about our coaching courses!
